25X1 * [] Comment: [] the CHIUNG () is an LST of 3326 tons. Other classes of ships are the MEI (), an LSM of 860 tons; the LIEN (), an LCI of 385 tons; the HO (), an LCT of 285 tons; and the YUNG (), a mine sweeper of over 800 tons. MIN () is used before all Min Sheng Company ships which are identified by numbers. It is possible that MEI was intended for HUA () class ships, since a MEI class ship has not as yet been reported.
